FAQ

What is ILTPP and why should I join?

The Illinois Learning Technology Purchase Program is a free, statewide cooperative of K-12 educational entities that aggregate our buying power and expertise to procure technology products and services at better prices than is available to an individual organization.

How do I become a member?

Fill out a membership application online at
ltc.site/iltppmemberapp

Who is eligible for an ILTPP membership?

Membership is free and open to all Illinois PK20 education entities, local and state agencies, libraries, and educational non-profits.

Who should I talk to if I have additional questions?
